Dear Cheerleading Candidate & Parent/Guardian,

Thank you for your interest in trying out for a **2021-2022** Cheerleading Squad at Edmond Memorial High School. We appreciate your enthusiasm and interest in our program and are so excited to see what the new school year holds. Included in this packet you will find information that will explain the tryout process, membership guidelines, and general information that all members (and parents) will need to be aware of before trying out. We take pride in our program and want the very best for all members of each squad.

The purpose of the cheerleading squads at Edmond Memorial High School is to promote school spirit, support various organized activities, represent the school, and provide positive leadership in all aspects of school life. These squads will promote and encourage student body involvement and will exemplify loyalty, cooperation, and positive attitudes. This can be a truly rewarding experience for each of you, but it also requires a tremendous time commitment. Cheerleading truly is a year round sport!!! A squad member must be willing to practice on his/her own time to perfect skills. Additionally, a squad member must be able to work well with others, as cheer is a team sport! Please be aware of this as you prepare to take on the challenges and responsibilities of becoming a member of one of the Edmond Memorial High School Cheerleading Squads.

Parents, please also understand that when your child makes a squad there are some responsibilities on your part as well. Not only do the athletes have to work together as a team, so do the parents. This is an all around team sport, and it takes the trust, commitment, and communication of all members, coaches, parents, and administrators to be successful. Once selected for a squad, you will be financially obligated to pay for all expenses that come your way. It's definitely not a cheap sport, but as parents you have to make the commitment to either pay for the items or be willing to organize and participate in fundraisers to offset the cost to participate.

Candidates wishing to tryout for a position on a cheerleading squad and his/her parent must read through the Edmond Memorial Membership Guidelines attached, as well as the District Contract that all three Edmond High Schools follow prior to trying out. After reading and being in full agreement, both student and parent signatures are required indicating that, if selected, both agree to abide by the rules and regulations governing the extracurricular activities of cheerleading at Edmond Memorial High School.

The items listed in this packet **MUST** be turned into the Welcome Center of Edmond Memorial High School by **Thursday, March 10th at 3:30pm**. There will be NO exceptions on this deadline and time, so please make sure to have all items in on time!

We are so excited for the year ahead and look forward to meeting you! Thank you so much for considering trying out for Edmond Memorial Cheer and GOOD LUCK to each of you!!!!

Sincerely,

Melissa Huston, Rebekah Joash, Whitney Eaton

GENERAL INFORMATION

SQUAD MEMBER EXPECTATIONS

The primary objectives of the Edmond Memorial Cheerleading Squads are:

1. To promote school spirit and unity. To support and encourage student body involvement at sporting events and various school activities.
2. To provide halftime entertainment at sporting events.
3. To be a competitive team member, while exemplifying respect to all squad members and coaches, and being a teammate by always thinking of your squad before yourself.
4. To increase self-esteem in its members by working as a team.
5. To set an example for the rest of the student body by exemplifying loyalty, cooperation, and positive attitudes.
6. To represent Edmond Memorial by acting as positive role models and demonstrating leadership qualities at all times.

PARENT EXPECTATIONS

Parents need to understand the following prior to your child trying out for an Edmond Memorial Cheerleading Squad:

1. In order for our squads to be successful, it takes the cooperation of the parents, participants, coaches, and administrators.
2. Parents are responsible for all financial obligations for camps, clinics, and other expenses involved in this activity during the school year. These expenses can be offset by fundraisers, but it will be the responsibility of the parents to organize and run the fundraisers, not the coaches. Coaches will help with the fundraisers as time and other duties permit. Fundraisers **MUST** be approved by the administration. Parents should present fundraisers to the coach who will take appropriate steps for approval.
3. Parents need to be aware of the time commitment involved in cheerleading and need to support their child and the coach in these activities to see that he/she fulfills all responsibilities.
4. Understand by the very nature of the activity, cheerleading, stunting, and tumbling carry a risk of physical injury. No matter how careful the participant and coaches are, how many spotters are used, or what landing surface is used, the risk cannot be eliminated. The risk of injury includes minor injuries such as muscle pulls, dislocation, and broken bones. The risk also includes catastrophic injuries such as permanent paralysis or even death from landing or falls on the back, neck, or head. As a parent, you understand these risks and will not hold Edmond Memorial High School or any of its personnel responsible in the case of an accident or injury at any time. You also understand that Edmond Memorial will do everything possible to prevent these risks.

PARENT EXPECTATIONS (CONT.)

5. Parents and squad members need to trust and support the decisions made by the coaches and administrators and know that they will always strive to do what is best for the team.
6. Please keep in mind that coaches have other responsibilities and commitments outside of cheerleading. It is asked that parents and squad members respect their personal and professional time. Any questions or problems concerning the squad should be directed to the coaches during school hours unless it is an emergency. The coaches will return phone calls and/or e-mails at their earliest convenience. Issues should not be addressed during practices, games, or other school events. The coaches need to fully supervise their squad while at these events.
7. There is a proper chain of command starting with the coach, assistant principal, principal, and finally school board. In fairness to all parties involved, please follow the chain of command.
8. Understand that any violations to the District of Edmond Memorial Contract may lead to loss of points, demerits, and/or temporary or permanent suspension from the squad.

COACH EXPECTATIONS

1. The coaches will work with the squads in the best interest of the team. All coaches want the best for the program and each individual cheerleader.
2. Coaches make all final decisions. Discipline, as well as demerits, grades, choreographers, practice times, events, etc. are the responsibility of the coaches.
3. Members experiencing problems should talk with the coaches and work with them in finding suitable solutions at the appropriate time.
4. Members should treat the coaches with respect. The coaches are giving up valuable personal and professional time for the squad.
5. Teaching duties of the coach take precedence over cheerleading responsibilities.

PRACTICE RULES

1. Attendance is required at all scheduled practices.
2. Practices are considered before school, after school, and during your designated class period for cheer. Practice will not be planned around those who have jobs, outside activities, or appointments (i.e. gymnastics, dance, competitive team activities, doctor appointments, etc.). Members will be expected to schedule around cheer. School cheer should take priority. Efforts will be made to work with squad members involved in competitive cheer on a case by case basis.

GENERAL INFORMATION (CONT.)

****In addition to the Edmond Public Schools Cheer & Pom District Contract****

PRACTICE RULES (CONT.)

3. Required attire for cheer should be worn at all times (modest shorts or leggings, t-shirt, socks, and cheer shoes). Hair and bangs must be secured away from the face and no jewelry is to be worn. Gum chewing is not allowed. All members should be dressed out daily unless otherwise specified by the coach.
4. Be kind. There is no room for personal conflicts. Do not bring them to practice.
5. Stretching and warming up are not optional. You must participate in stretching and warming up in order to cheer and perform.
6. NEVER build a stunt without the coach present.
7. In order to receive all points for practice, you must participate in all facets of practice (i.e. stretching, stunting, tumbling, making signs, hanging signs, cleaning up, listening, cooperating, etc.). Individuals are expected to maintain the skills that were performed at tryouts throughout the season.
8. No phones are allowed to be out in the cheer room during practices.
9. If you are going to miss a practice, arrive late to a practice, or leave early from a practice, you must inform the coaches prior to class time. In addition, a parent/guardian phone call or email will need to be received by the coach.
10. If you are sick or leave early before your designated hour for cheer, the athlete and a parent/guardian must notify the coach of the absence prior to the beginning of class time.
11. In order to leave cheer class, you must be checked out by a parent/guardian and receive a pass from the front office.
12. Please refer to Policy #4215 in the Student/Parent Handbook--
 - a. On the tenth (10th) absence a student will receive a "no credit" on his/her transcript for the semester.
 - b. An absence is defined as missing more than fifteen (15) minutes of any part of class time.
 - c. Three (3) tardies equals one (1) absence.
13. When a squad member is absent from practice, it is his/her responsibility to learn what was missed prior to the next practice.

GAMEDAY CONDUCT

1. How the squad is perceived by students, parents, and patrons is largely decided at the games. Therefore, while performing at games, cheerleaders are to stay in formation at all times and pay attention to the direction of the squad captains and the coach.
2. Gum chewing, slouchy appearance, jewelry, incorrect uniform pieces, or inappropriate dancing, gestures, language will not be allowed and may result in an immediate benching.

GENERAL INFORMATION (CONT.)

****In addition to the Edmond Public Schools Cheer & Pom District Contract****

3. If a cheerleader is out of uniform or in a wrong uniform, they will not be allowed to cheer. They will then sit with the coach for the duration of the game or event.
4. An injured or ineligible cheerleader will be required to attend her cheer scheduled events/games in uniform and must sit with the coach.

GAME DAY CONDUCT FOR TRAVELING DURING AWAY GAMES

1. For ALL out of town games, members MUST ride the school bus or SUV, and MUST stay for the entire game.
2. Members will ride the bus back to the school following the event unless they are checked out after the game or event by a parent/guardian. Squad members will ONLY be released at the conclusion of an away game or event to a PARENT or GUARDIAN.

UNIFORMS

1. School-issued uniforms are SCHOOL PROPERTY, but will be the responsibility of the squad member to see that they are properly cared for during the season. Any damage to uniforms will result in the responsible member paying for a replacement. School-issued uniforms for girls include shell tops, warm ups, skirts and comparable items for boys. Additional accessory items may be purchased and worn ONLY with the coach's approval. Alterations to uniforms without the coach's permission are considered damage and will result in replacement at member's expense (no material is to be cut when doing alterations). Cost for alterations will be at member's expense.
2. All uniforms must be returned at the end of the year undamaged or a hold will be placed on semester grades. Rules for student holds in the handbook will apply. Damaged or lost items will be paid by the individual member.

GAME, EVENT, OR PRACTICE MISSES

1. All forms must be filled out and submitted 24 hours prior to the practice or event. Forms are located on the EMHS Spirit Website.
2. Although participation on All Star and competitive cheer squads is beneficial for maintaining and developing new skills, squad members must give their school squads the highest priority. All Star and competitive cheer obligations are not counted as excused absences.
3. **Practice Miss-**
 - a. If a squad member needs to miss practice, arrive late, or leave early for any reason (doctor's appointment, school activity, vacation, etc.) the coach must be notified at least 24 hours prior to the practice. The coach will determine whether an absence is excused or unexcused. If the coach is not notified 24 hours prior to the practice, then it will automatically be considered unexcused.

GENERAL INFORMATION (CONT.)

****In addition to the Edmond Public Schools Cheer & Pom District Contract****

4. **Game/Event Miss Form**–

- a. If a squad member needs to miss a game/event, a game/event MISS form must be filled out and submitted to the coach 24 hours prior to the game/event. If a game/event MISS form is not submitted 24 hours prior to the event, then it will automatically be considered unexcused. Each squad member has ONE FREE MISS per semester. The maximum number of misses that may be used for a single game/event will depend upon the event and squad. Game/event MISS forms are accepted on a first come first serve basis. Skip Pass Forms can be filled out on the website (memorialspirit.com) and will be automatically sent to the coach.
- b. If a squad member needs to miss a game/event due to another school obligation (DECA State, vocal concert, etc.), the miss is EXCUSED, but the coach must still be notified as soon as possible and must know at least 24 hours prior to the event.

5. **Varsity Only**–

- a. For all split-squad events, no game misses will be accepted. If a squad member needs to miss a split event, they are required to trade an event with another squad member who is not scheduled to go that night in order to ensure a minimum number of squad members at the event. The names of the girls trading must be submitted to the coach 24 hours prior to the event for it to be accepted.

ACTIONS AND CONSEQUENCES

1. At school events, including cheer class, practices, and cheer related school activities, all school policies will be followed regarding student behavior and attendance.
2. Any violation to the *Edmond Public Schools District Cheer & Pom Contract* or the *Edmond Memorial Cheer Membership Guidelines & General Information Packet* may be handled accordingly:
 - a. Benching or suspension for a period of time to be determined by the coach.
 - b. Loss of points on the academic grade for the physical education credit squad members receive for being on a cheerleading squad.
 - c. Demerits: A squad member who accumulates twelve (12) demerits will be suspended from the squad for the remainder of the year. Please note that the members facing suspension from the squad have had adequate opportunities to earn merits that would offset demerits. Refer to pages 17–21 for merit/demerit information and specific grading policies.

COMPETITION SQUAD

1. This squad will represent Edmond Memorial High School at all competitions (Regionals, State, Stunt State, etc.).

GENERAL INFORMATION (CONT.)

****In addition to the Edmond Public Schools Cheer & Pom District Contract****

2. Cheer is an OSSAA sanctioned sport; therefore, all members trying out for a cheer squad at Edmond Memorial High School will also be trying out for a position on the competitive cheer squad.
3. Selection of the competitive team will ultimately be at the discretion of the coach. Factors that will determine selection include, but are not limited to: athletic ability/skill set, participation/attendance at practices, attitude and work ethic, fulfillment of a specific role or position based on routine choreography, etc.
4. The number of members that make the competition squad will be solely based on how many participants the coaches feel are qualified and meet the requirements and expectations for the competitive cheer squad. However, only 20 members will be able to compete on the floor at the Regional and State Competitions. The same 20 members on the floor may not be the same at both competitions.
5. Individuals are expected to maintain the skills that were performed at tryouts throughout the competitive season. A decrease in skill level (not due to injury) will put an individual's placement in a routine in jeopardy.
6. Those members who make the competitive squad will need to be available to practice every day at 4:00 (immediately following 7th hour) during 1st semester only.
7. All state squad members will be required to attend practices. Attendance is vital for the competitiveness of the squad. Excessive absences can be grounds for benching, replacement, or suspension at the coach's discretion. Practices will be after school, in the evenings, and on the weekends, so be prepared to commit a considerable amount of time to this squad. The competitive squad will also practice in June, July, and August and will have choreography camp during the summer months.
8. Competitive cheer members will receive an additional 6 merits at the beginning of the school year to compensate for the additional required practices. *This does NOT count towards the 8 merits they can earn throughout the school year.*
9. All squad members chosen for the competition squad are financially obligated to pay for all fees for the competitive season (i.e. competition fees, coaching fees, choreography fees, coach's registration fees, etc.).
10. If a member chooses to quit the competitive squad, he/she will be required to pay their financial obligations in full regardless of their decision to leave the squad.

STAYING CONNECTED THROUGH TECHNOLOGY

Technology has become a necessity in today's society and to help stay connected with our athletes and parent/guardians, we will be incorporating it through different mediums in our program. Below is a list of forms of communication we will use throughout the school year. Each athlete and parent/guardian will need to take the following steps in order to receive important information about Edmond Memorial Cheer. It is the participant's and parent/guardian's responsibility to stay informed about what is going on in the Cheer program. Please make sure to use all avenues available to always have the up to date news! It is our hope that these resources will help strengthen the program.

1. EMAIL-

Please check your email daily! We send the majority of our information to parent/guardians through email. It is the athlete's and parent/guardian's responsibility to check email frequently.

2. CALENDAR-

Monthly calendars will be emailed out, posted in the cheer room, sent via GroupMe, and a hard copy will be distributed to athletes. Please reference this calendar regularly.

3. GROUPME-

GroupMe is a text application that will allow anyone with a phone to send messages to a group. We will use this for most communication throughout the year. This is an app that will allow everyone in the group to text each other... not just the coach. *This will only be used to communicate important information to the parents and athletes regarding cheer issues. This is not a place to complain, ask personal questions, or promote events not related to EMHS cheer.* Squad members are responsible for checking group messages daily and for responding to show they have received the information. These groups will be set up after tryouts. *Individual text communication is also used by the coach to be sure all information is received by the squad.

Merit opportunities must be school or community service related and approved by your coach.

EDMOND MEMORIAL CHEER GRADING POLICY

GRADE BREAKDOWN

The cheer grading policy will reflect your level of participation during the semester. Any infraction to the rules may result in loss of points on your grade, as well as a demerit(s) and/or benching/suspension given by the coach.

DAILY GRADE-40%

- ❑ Points are based on being on time, dressing out (see below), participation during class time, attitude, cooperation, work ethic, etc. Absences that are unexcused will result in a loss of points for that practice day or event. In order for an absence to be excused, you must be checked out through the front office, and you must notify your coach prior to the absence. Required attire for pom class should be worn at all times (modest shorts or leggings, t-shirt, socks, and cheer shoes). Hair and bangs must be secured away from the face and no jewelry is to be worn. Gum chewing will not be allowed. All members should be dressed out daily unless specified otherwise by the coach.
- ❑ Any other obligations that might come up during the year and specified by the coach may be counted for a grade.

GAME/EVENT GRADE-40%

- ❑ Every game or event will be worth between 50-100 points. For an unexcused absence, you will receive a zero (0%). An absence is considered excused if either a game "free skip pass" has been accepted by the coach and turned in 24 hours in advance or if a parent/guardian has called the coach at least one hour prior to leaving for the event in cases of illness.
- ❑ Any tardies to practice, games, or events or leaving early from practice, games, or events, may result in a deduction of up to 15 points for the first 15 minutes. At 15 minutes, you will receive a 75%; at 30 minutes, you will receive a 50%; more than 30 minutes will result in a 0% for that practice, game, or event. Since a squad member is not allowed to drive to any away event, if you miss the bus, you will receive an automatic zero and/or benching for a period of time to be set by the coach.

SPECIAL PROJECTS/TESTS-20%

Presentations will be made over football, basketball, and wrestling. Squad members will be tested over the presentations. The tests will consist of rules and information important to understanding the sport. Tests are designed to aid in the understanding of the sport/game the squads cheer for each season.

Special Projects could be but are not limited to: service projects, sign making or other forms of encouragement for EMHS Sports teams, dressing up for theme days, planning squad events, etc.

EDMOND MEMORIAL CHEER GRADING POLICY (CONT.)

- ❑ Any uniform violations may result in deduction of up to 20 points from your event grade. Participants must wear all coach-specified uniform pieces. Points could be deducted for, but are not limited to, wrong uniform, wrong shoes, hair not up, wearing jewelry, or coming without poms to games, as well as not following appearance code according to the pom/cheer information packets both during the school day and at games/events. If you do not bring all required items, not only will you lose up to 20 points from your grade, but you may be benched for the game and must sit with the coach.
- ❑ Any inappropriate behavior may result in a deduction of up to 20 points from your event grade. Points could be deducted for, but not limited to, chewing gum during games, talking during games, being out of formation, public displays of affection, etc.

SCHOOL DRESS UP THEMED DAYS

- ❑ You will be required to dress up during weeks that we have school wide dress up days at EMHS to help promote school spirit.
- ❑ These dress up days include Howdy Week, Homecoming Week, Swine Week, and any other days/weeks designated by the coach

ESTIMATED COST TO PARTICIPATE

(The following is an ESTIMATE of expenses based on previous school years.)

Each squad member will be responsible for ALL costs associated with being a member of a cheerleading squad at Edmond Memorial High School. Being a squad member can get expensive, so we want everyone to be fully aware of all expenses that are associated with cheer. We never want the cost to affect if a participant decides to not tryout, but we do want each member to be aware of the costs involved. If you need financial help, the parent groups may offset cost by organizing and participating in fundraisers, if the squad deems it necessary. The coach must approve all fundraisers. Only those members who participate in the fundraisers will benefit from the profit. If further financial assistance is needed, please speak to a coach or administrator to see what other options are available.

ITEMS PROVIDED BY THE SCHOOL DISTRICT

→ The school provides uniforms and warm-ups; any alterations are the squad member's expense (NO MATERIAL IS TO BE CUT WHEN DOING ALTERATIONS).

ALL PARENTS please know that as soon as your child makes a spirit squad, numerous expenses will be needed within the first 2-3 weeks after tryouts. If you know that financially you will need assistance in helping pay for some of these costs stated above, please start organizing and running fundraisers with your squad as soon as tryouts are over. Since money is due so soon after tryouts, fundraisers should be planned and ready to go the week after tryouts if need be. The earlier the better!

Edmond Public Schools

Cheer/Pom Expectations

(Rules and Regulations)

All candidates who are interested in trying out for a spirit squad need to understand that there are specific responsibilities and obligations they must assume in order to qualify for and remain part of the squad. These obligations remain in effect for the entire school year. Members of the cheer and pom squads are among the most influential and visible student leaders in the school. For this reason, coaches, teachers, and school administrators alike hold the schools' spirit squads to exceptionally high standards and expectations. For this reason, families are encouraged to read the following information carefully to determine if participation in cheer or pom is appropriate. The following rules and regulations govern the extracurricular activities of cheerleading and pom.

Squad Breakdown & Responsibilities

1. Freshman Cheer & Pom - Up to 12 Members Each

- A. The freshman cheer & pom squads will consist of ninth graders only.
- B. Freshman squad members are required to cheer at home freshman football games, basketball games, and some wrestling events. The freshman cheer and pom squads will also cover some JV football and basketball games with a schedule that accommodates the needs of the teams as well as the academic responsibilities of the cheer and pom members. Tournaments are not included (unless specified by the coach). Squads can be split at the discretion of the coach, especially with regard to covering JV events.**Any game/match in the Edmond School District is considered a "home event." The squad will attend any other events, community service and practices deemed necessary by the school and the coaches.

2. Varsity Cheer & Pom - Up to 24 Members Each

- A. The varsity cheer & pom squads will consist of sophomores, juniors, and seniors.
- B. Varsity squad members are required to attend all home and away football and basketball games/events, as well as all home wrestling events. The varsity cheer and pom squads will also cover the JV football and basketball games with a schedule that accommodates the needs of the teams as well as the academic responsibilities of the cheer and pom members. With the exception of playoffs, and home tournaments, attending away tournaments will be at the coaches' discretion (varsity squad members are required to attend all district, regional and state playoff tournaments). Squads can be split at the discretion of the coach, especially with regard to covering JV events.** The squad will

attend any other events, tournaments, community service, and practices deemed necessary by the school and the coaches.

3. Competitive Cheer & Pom - At Coach's Discretion

- A. The number of participants on a competition squad will be set at the coach's sole discretion and that decision is final.
- B. The coach may select competition squad members from the existing varsity and freshman squads and his or her decision is final. In case of injuries or other unforeseen circumstances, additional members may be brought up to the competitive squads at the discretion of the coach.
- C. Cheer is an OSSAA sanctioned sport; therefore, all members trying out for a spirit squad will also be trying out for a position on the competitive cheer squad as well.

****Games/Events may be split between pom, cheer, varsity and freshman squads at the coaches' discretion.**

Tryout Guidelines and Requirements

1. In order to try out for a position on any cheer/pom squad, each person wishing to try out must be academically eligible as that term is defined and used by the Oklahoma Secondary School Activities Association (hereafter "OSSAA") as of date of the actual tryout. Whether a potential squad member is ineligible is determined exclusively on whether that student's name appears on the most recent ineligibility list officially prepared and maintained at each school site, available and in effect as of date of the actual tryout. A person, who is on "probation," as that term is defined and used by the OSSAA as of date of the actual tryout, may still try out for a squad. Whether a person is on probation is to be determined exclusively on a review of the most recent academic ineligible/probation report officially prepared and maintained at each school site that is available and in effect as date of the actual tryout.
2. Students who try out for cheer or pom must be currently registered at the school or feeder school they are trying out for, which implies that their residency has been verified and is within the school's boundaries. Any student new to a school, participating for the first time or entering the 9th grade, must complete an OSSAA Eligibility Record Form prior to being allowed to participate. School administrators may consult the district athletic director or OSSAA directly to inquire about eligibility requirements or rule interpretation upon completion of the New Student Form. Forms may be found and printed at <http://ossaa.com/Eligibility.aspx>. A breakdown is listed below for further clarification for all students new to the school.
 - A. New students from a K-8 school (St. Elizabeth's, St. Mary's, Oakdale, etc.) and 8th grade home-schoolers must prove residency and register prior to tryouts in order to tryout. They will be fully eligible because they are at K-8 schools or situations.

- B. All current Edmond students grades 9th -11th must prove residency and be registered for the school where they plan to tryout prior to the spring tryouts. Eighth grade Edmond students may tryout at the high school in their feeder vertical or a high school to which they have an approved enrollment exception for the following ninth grade year.* Eighth grade students moving into Edmond from out-of-state or out-of district must prove residency and register for the following year prior to tryouts. (Students may be registered, but not enrolled in two schools simultaneously.)
 - C. All new students grades 9th -11th moving into Edmond from out-of-state or out-of-district and home schoolers seeking enrollment in grades 10th -12th must prove residency and register for the school where they plan to tryout prior to spring tryouts.
 - D. New incoming 10th-12th grade students from a K-12 private school (OCS, OCA, Crossings etc.) must prove residency prior to tryouts in order to tryout, but they cannot be on a competitive OSSAA squad without a hardship waiver from OSSAA (cheer) or from the district athletics review board (pom). The exception to this situation is an 8th grader from private K-12 school. The eighth grader may register to attend an EPS high school for the following year prior to tryouts without loss of eligibility for a competitive squad in the freshman year.
 - E. In keeping with *Interstate Compact on Educational Opportunity for Military Children*, special tryout arrangements may be made for student(s) enrolling late in Edmond schools as a result of their parents' military orders.
3. No members will be allowed to tryout at a school if they quit the squad during the previous year.
 4. Under no circumstances will a student be allowed to tryout at more than one Edmond school in any school year.
 5. Cheerleaders, as members of a sport sanctioned by OSSAA, will be required to sign a drug testing consent form and be subject to monthly random drug testing. (Refer to the EPS drug policy for detailed information.)
 6. While pom is not sanctioned by OSSAA, we do maintain equally high standards and insist that our team members remain drug and alcohol-free.

Reviewed 1/22/2021 Page 2

7. Each squad member must have a complete physical **before** clinic begins. The high school medical release form must also be signed and turned in. New participants will need a physical for both the tryout clinic and another physical dated after May 1st to cover the next school year.
8. Each school will independently plan its tryouts. Tryout clinic, mock tryouts and tryouts will be held at each individual school. The tryout judges' panel will include outside judges and a team coach, with the scoring total derived from an average of the

judging panel.

9. All candidates must attend every session of the clinic, mock tryouts, and tryouts. Those failing to attend all clinic days and mock tryouts may not be permitted to try out; however, if a participant has another school activity or emergency during clinic, a written excuse must be submitted and approved by the school coach. It is the student's responsibility to learn the material covered in clinic on their own time.
10. Clinic and tryouts are closed. Only coaches, judges, and administrators may attend. Current senior cheer & pom members will help run the clinic. Video cameras are not allowed.
11. If a current cheer/pom squad member resigns or moves from the district, the participant with the next highest tryout score may be placed on the squad solely at the discretion of the head coach of the squad in session. This is the only reason a squad member will be added to an existing squad with the exception of competition squads.

Eligibility

1. Squad members are expected to stay eligible throughout the year and must comply with the most current rules on eligibility as published by the OSSAA except as otherwise modified by the school district. Becoming ineligible will result in that squad member being benched for all cheer/pom activities during the week of ineligibility. The week of ineligibility is that period of time defined by the OSSAA on ineligibility. A determination of who is ineligible is based exclusively on the most recent eligibility list maintained and prepared by each school site in accordance with the deadlines and time frames imposed by the OSSAA under its guidelines and rules to determine a player or participant eligibility. If a cheer/pom member is ineligible for 4 consecutive weeks, he/she will be dismissed from the squad.
2. Cheer & Pom is considered an elective class during the school day. Each squad member will receive an academic grade and an elective credit for completing a semester. Grades will be determined by participation in practices and games/events. The cheer/pom grade will be figured in with the student's overall GPA. Grading will be done by the coaches.

Attendance Policy

1. Edmond Public Schools attendance policy will be followed.

Camp

1. All members are expected to attend summer camp and clinics with their team. The purpose of the camps and clinics are to create unity and to learn material for the upcoming year.

Practices

1. Practices are considered the "class" period the participant has cheer or pom and any additional practices the coach deems necessary outside of the school day throughout the year. The squad may have additional evening/weekend practices as necessary to prepare for camp, pep assemblies, performances, etc

Competitions

1. If a squad qualifies to enter a competition at any level, the coach/sponsor, squad, and administrators are the ONLY people that will make the decision whether or not to participate. If the squad is approved to go, all designated squad members are required to compete.

Reviewed 1/22/2021 Page 3

Conduct And Appearance

1. Acceptable school conduct as defined by the policies of the school district must be demonstrated at all school activities (including summer camp and away games). Just as with all other school sports, poor judgment that results in school disciplinary consequences may impact the level of participation of a cheer or pom member. Repeated squad violations and/or school violations of a serious nature will result in a period of extended benching from the squad as noted in the demerit system employed by each site. In some cases, suspension from the squad may be found to be appropriate.
2. Members must maintain good appearance at all times. The following are required of squad members:
 - A. **AT SCHOOL:** Members are to abide by school dress code. On uniform days only the coach specified uniform pieces are to be worn. NO EXCEPTIONS.
 - B. **AT GAMES:** Members wearing anything other than the required uniform will be subject to benching at the game or subsequent games as determined by the coach. Hair is to be secured back at all games and performances. Absolutely no jewelry is permitted.
3. Hazing will not be tolerated at any time, including summer camp. This will be handled according to school policy and the police will be called. In addition to or in lieu of any action taken by the police or the school district, appropriate disciplinary action as it relates to cheer/pom activities will also be taken by the coach.
4. We strive to maintain dignity and integrity in and out of practice. Social network such as Twitter, Snapchat, Facebook, and Instagram are viewed by parents, young children, and often times other squad members and students from across the country. It is important that you represent yourself as a positive leader on such sites. The following should not be used or seen on social networking accounts (the list includes, but is not limited to):
 - A. Use of inappropriate content, profanity, alcohol, tobacco, public display of affection, inappropriate clothing or negative comments toward any Edmond Public School, any cheer or pom program (including your own), other teammates, coaches or administration. This includes reposting (retweeting etc) any inappropriate content (as listed above).

Uniforms

1. School-issued uniforms are school property but will be the responsibility of the squad member to see they are properly cared for. Any damage to uniforms will result in the responsible member paying for a replacement. School issued uniforms include shell

tops, warm-ups (if applicable) skirts for girls and comparable items for boys. Additional accessory items may be purchased and worn ONLY with the coaches' approval. Alterations to uniforms without coaches' permission are considered damage and will result in replacement at members' expense (no material is to be cut when doing alterations). Cost for alterations will be at the member's expense.

2. All uniforms must be returned at the end of the year undamaged or a hold will be placed on semester grades. Rules for student holds in the student handbook will apply. Damaged or lost items will be paid by the individual member.

Funds

1. Only building administrators have the authority to approve purchase orders relating to the squad or use of funds from the squad account (with the exception of booster club fundraisers).
2. Fundraisers will benefit only those who participate. The degree in which one participates in a fundraiser will determine the percentage the participant earns from that fundraiser.
3. Only district-approved fundraisers will be permitted.
4. Fundraisers may be used to purchase favors for teams, senior gifts, choreography, commercial gym coaching, etc. at the coach's discretion.
5. Any parent or booster club account must be **sanctioned** through Edmond Public Schools each year. 6. Money raised from any fundraiser must be deposited into a sanctioned account (i.e. school activity account or parent sanctioned account)
